

ENTRANCE FOR LOADING AND UNLOADING

The main entrance is from the gate of Piazza Adua 1, Firenze (Italy), near Firenze Santa Maria Novella Station.

The loading and unloading area is behind the Congress Palace, than crossing the garden through the unpaved road on the right.

TEMPORARY PARKING AND LOADING/UNLOADING AREA

Stop in the parking area is temporary and limited only to the loading and unloading operations, after that trucks must be moved out of the Congress Centre.

GOODS ELEVATOR

Mounting area is in the lower ground floor, reached by a ramp with several low steps. Please provided appropriate carriages or transpallets.

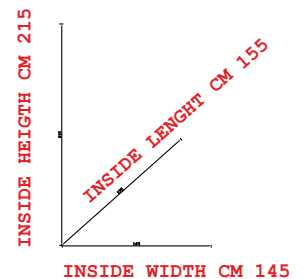

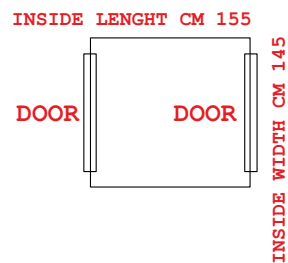

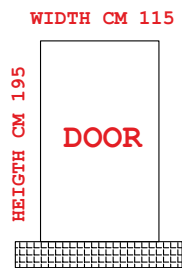

A goods elevator is available. Please check size and weight of your pallets and exhibition products.
