Subject: Confirmation of HCPWP meeting on 5 June 2013

Importance: High

Dear Colleagues,

Thank you very much for all the replies on your availability to reschedule the HCPWP meeting to 5 June 2013.

I can now confirm that the **meeting will go ahead on 5 June 2013** and that we are preparing a draft Agenda which will soon be circulated to you.

The morning will be dedicated to organisational matters of the Working Party and in the afternoon we will meet jointly with the Patients and Consumers Working party to discuss among other topics, aspects related with shortages in the supply of medicinal products.

Please remove the meeting of 4 July 2013 from your calendars.

With kind regards,
Ivana
