

Dear Joan,

On behalf of ESNO, I would like to express our support to your initiative and endorse the European Statement of Hospital Pharmacy.

Hospital pharmacist play a crucial role in hospital. They ensure safety and quality of care in terms of medicine use processes, promoting a safe, effective optimal use of medicine : the right medicine at the right time for the right patient.

We are looking forwards to continuing this collaboration with you

Yours sincerely

Françoise Charnay-Sonnek
ESNO President
