Subject: Motivation letter for Board elections - GA 2021

To whom it may concern

I am writing to express my interest in the upcoming EAHP Board Member elections which will take place during the 2021 General Assembly. I have more than ten years of experience in hospital pharmacy and seven years in managing it. I believe that my professional expertise aligns closely with the responsibilities of a Board Member of your organization.

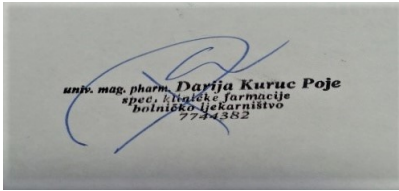

The role is very appealing to me and I hope that with my strong experience in medication management (especially during shortages), collaborating with various healthcare and non-healthcare professionals involved in patient care on a national and international level together with my education in clinical pharmacy, make me suitable to be part of EAHP team. Furthermore, my special interest areas are antimicrobial resistance (I am an integral part of the first multidisciplinary antimicrobial stewardship team (A-team) in Croatia), medication shortages, and Counterfeit Medicines Directive (FMD 2011/62 / EU). Moreover, the EAHP mission of continuous improvement of care and outcomes for patients in the hospital setting is in accordance with my views and beliefs of modern hospital pharmacists.

All these mentioned above have given me a great chance to further develop my field knowledge and expertise. It also helped me to significantly improve my critical thinking and enhanced my traits of being an effective team player that are often necessary for the role. Please refer to my attached resume for additional information regarding my proficiencies and achievements.

I am also aware of the responsibility to take that role as EAHP represents more than 23 000 hospital pharmacists in 35 European countries and is the only association of national organizations representing hospital pharmacists at European and international levels.

Thank you for your time and consideration and I look forward to hearing back from you soon.

Yours sincerely
