# EPHA Board mandate 2021-2023 Nomination Form

## 100 Word Manifesto

After having been engaged in EPHA's activities as Director of one of its members, I would like to further contribute to its work and governance. Through my career I have developed extensive expertise in the areas of health and its social determinants, well-being and equity. In particular, I have worked across sectors to improve the well-being of people, including a focus on approaches based on human rights, access to quality services, Health in All Policies, and social inclusion. I have over 15 years of experience in management, policy, and research. I wish to make my skills available to EPHA so that together we achieve the best standard of health for all.
