EPHA Board mandate 2021-2023 Nomination Form

100 Word Manifesto

I'm motivated to become EPHA board member because I have the competencies and experience required to serve effectively in this role.

I also believe this new phase of EPHA's work (strategic plan) presents an opportunity for greater involvement, diversity and collaboration as the organisation strives to advance health in all policies and better healthcare for all in Europe.

I bring 24-year experience of community level health provision, 5-year EU level health policy and 3-year board member experience. I have a background in Charity Management and Public Health.

Improving healthcare access for Europe's most underserved communities is my greatest passions.

Please return this nomination form and manifesto by email to agata.petcov@epha.org by **22 October 2021 COB** at the latest.
