EPHA Board mandate 2021-2023 Nomination Form

100 Word Manifesto

I am a Belgian veterinary surgeon active in European public health. I have experience in lobbying the European Parliament and working in a multicultural and multilingual environment with veterinarians, doctors, patients and health practitioners. I have a special interest in integrative health and patients' empowerment and I am active in the EPHA AMR SN. I want the EPHA to become even more relevant to the European civil society's efforts to attain health for all. I am prepared and motivated to devote my time and energies to the EPHA Board.
