EPHA Board mandate 2021-2023 Nomination Form

100 Word Manifesto

In leadership roles for 25 years as Chair of the Europe Region, Partnership Facilitator for the Health Services National Partnership, and President of the national physiotherapy organisation in Ireland, my skills spread from managing people to leading change. I have facilitated change in regional & national level health services, with an inclusive approach, based on consultation & consensus-based decision making. I have trained healthcare personnel in consultative leadership and supported 37 members during challenging times of treating (long) COVID patients.

I would love to contribute to EPHA's work on improving health & strengthening the voice of public health in Europe.

Please return this nomination form and manifesto by email to agata.petcov@epha.org by 22 October 2021 COB at the latest.
