17:00 Conclusion and Round-Up

In collaboration with HOPE, European Hospital and Healthcare Federation, we organise an afternoon prior to the ESNO congress 2019 #ESNO2019. It is for those nurses interested in the European environment from a novice perspective or for those already some familiar with a network but wishing to know more on the mechanisms and dynamics of the European Union and Europe. We have composed an interested program especially for nurses with guest speakers interested getting to know you as well.

Register here

Maximum of 25 participants - Costs: €45,00 - Included: 1) Lunch and 2) map with flyers, a 3) booklet with programme and extract of the presentation and Map, Where is Who and Why
