

Create an EJHP online account:

1

Visit <https://www.eahp.eu/user/login?destination=publications/journals>

3

A confirmation email that EAHP has received your request and it is pending will be sent to the email indicated (it will be approved normally within a period of 48-72 hours).

Account details for infoEAHP at European Association of Hospital Pharmacists (pending admin approval)

To: email@email.eu

Example

Thank you for registering at European Association of Hospital Pharmacists. Your application for an account is currently pending approval. Once it has been approved, you will receive another e-mail containing information about how to log in.

-- European Association of Hospital Pharmacists team

4

Once approved your request, a second email will be sent to you confirming access to EJHP. (The approval will be based on the membership list of your national association).

Account details for infoEAHP at European Association of Hospital Pharmacists (pending admin approval)

To: email@email.eu

Example

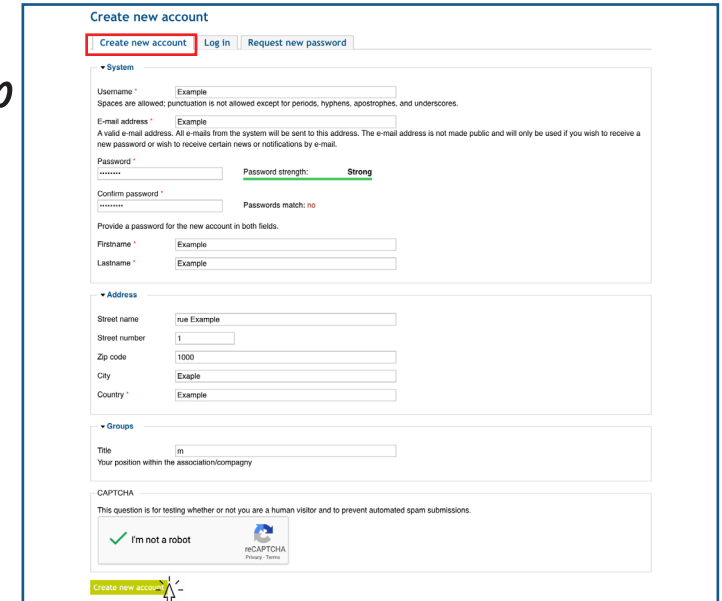

Thank you for registering at European Association of Hospital Pharmacists. Your application for an account is currently pending approval. Once it has been approved, you will receive another e-mail containing information about how to log in.
