Subject: Nomination of Aida Batista for EAHP Board Member

To whom it may concern,

The Portuguese Association of Hospital Pharmacists (Associação Portuguesa de Farmacêuticos Hospitalares – APFH) supports the nomination of Aida Batista, as board member of EAHP for the year to come.

Aida Batista is the Previous Vice-President of the EAHP and the former president of the Portuguese Association of Hospital Pharmacists. We believe that her involvement in EAHP can be a benefit for all.

Kind regards.

Yours sincerely,

Ana Margarida Freitas
