Supporting letter for EAHP Board membership

Dear President, Dear Petr,

Please accept our support for Louis Bertin as a candidate for EAHP Board Member in upcoming Board elections in 2021.

We believe that Louis Bertin is, and still will be, a strong asset to EAHP Board. We very well find his commitment to the hospital pharmacy community in France.

We believe, that Mr Louis Bertin's experience in hospital pharmacy, clinical pharmacy, industry and education and research, make him a very good candidate for EAHP Board member.

Your sincerely,

Ewa Steckiewicz-Bartnicka

National EAHP President of Poland
