Motivation letter board member

Dear Mrs. De Greef,

Upon the nomination committee's invitation to nominate a suitable and willing candidate for the EAHP Board, I would like, on behalf of the Dutch Association of Hospital Pharmacists (NVZA), to nominate Gerard Hugenholtz as an excellent candidate.

Dr. Hugenholtz has been president of the NVZA from 2019 until March 2023. He has been a great asset in building bridges and in achieving goals that have been set in a fast developing environment. During the Covid pandemic he has proven to be a hospital pharmacy leader; not only collaborating with Dutch but also with international health care workers.

The Dutch Association of Hospital Pharmacists would like to strongly recommend the nomination of Gerard Hugenholtz for the position. He is very capable and willing to be a board member of the EAHP to bring European hospital pharmacy to a higher level.

With kind regards,
