Motivation letter

Dear Members of the EAHP Nomination Committee,

I would like to express my profound interest in European hospital pharmacy matters and the matters of our European professional association, the EAHP.

After engaging with EAHP on different levels, I believe I can contribute to the further development of our profession and the Association.

I can offer a long-standing experience in hospital pharmacy, but also in the education, regulatory and public sector.

Currently, I work as a hospital pharmacist at the University Hospital Motol in Prague and as a Head of the Pharmacy department of the Institute of Post-graduate Education in Health. I am writing to apply for a position on the EAHP Board.

Between 2004 – 2012, I was a member of the EAHP Scientific Committee. I helped to organize the EAHP congresses, and I was responsible for the preparation and facilitation of the seminars. Since 2015, I have been the Czech delegate to the EAHP General Assembly. I was also active in the CTF project.

After working for twenty-five years in several positions in hospital pharmacies and other pharmacy settings, I have a broad overview of pharmacy not only in the Czech Republic but also in other countries. I am professionally active in the area of improving the quality of the pharmaceutical care and the post-graduate education.

I wish to offer my expertise, experience, positive attitude, and time to my colleagues in the EAHP. I can contribute to various projects, policies and activities of the Association and help build a better future for our patients and profession.

I look forward to working as a member of the EAHP, should the GA consider me a proper candidate.

Thank you very much for your kind consideration.

Sincerely,

Marcela Heislerová
