**Subject: Supporting Letter for Astrid Sant's candidacy for the EAHP Board**

Dear EAHP Board, Delegates and Nomination Committee,

It is my pleasure to nominate Astrid Sant for the position of EAHP Board Member on behalf of the Malta Association of Hospital Pharmacists.

Astrid has been on the MAHP board for the past five years and is a highly committed, and motivated board member who always strives to improve the hospital pharmacy profession. She is also an experienced hospital pharmacist with a Masters Degree in Clinical Pharmacy and currently works as a Qualified Assurance pharmacist at the Procurement Section of the hospital. Her hospital pharmacy experience includes work at the Hospital Dispensary, the Chemotherapy Reconstitution Section and in the hospital wards. She has also worked at the European Commission and likes to participate in various international events related to hospital pharmacy, public health and health policy.

I strongly believe that Ms Astrid Sant would be a great asset to the EAHP Board, and would bring her knowledge, experience and enthusiasm to the role. I hope you consider her nomination and give her the opportunity to serve the EAHP and its members.

Thank you for your attention and consideration,

Sincerely

A handwritten signature in black ink, appearing to read 'Katya Sacco', is located below the word 'Sincerely'.

Katya Sacco

Vice President (Acting)
