EAHP Staff ----- Page 66

Disclaimer:

Please note that these lists reflect the data provided by congress delegates or their representative at the time of publication.

Should your name not be included, it could be that either it was input in our online registration system after the printing date or that the data provided was not sufficient. EAHP cannot be held responsible for any misspellings, typos or inversions of first name with last name as they are printed in this book the way they were input into the system.

List by Country
