

CALL FOR ABSTRACTS

Original contributions from all fields of hospital pharmacy are welcomed for poster presentation. Poster award nominees will be determined in November 2025 and will have the opportunity to give an oral presentation during the congress. For further information about the submission of abstracts, please visit our website www.eahp.eu

Abstract submission opens: 1 August 2025

Deadline for submission: 1 October 2025

GOOD PRACTICE INITIATIVES

Share your good experiences with your peers.
For further information about the submission of GPIs, please visit our website www.eahp.eu

GPI submission is open.

Deadline for submission: 1 October 2025

REGISTRATION

The registration fees are set as follow:

Registration fee before 1 December 2025 € 546

Registration fee beginning 1 December 2025 € 670

Registration fee beginning 1 February 2026 € 765

Registration fee includes access to all sessions, the opening reception, the exhibition, lunches on Wednesday and Thursday and coffee/tea during official breaks.

The registration fee does not include the Spanish 21% VAT, which will be added at the end.

The European Association of Hospital Pharmacists (EAHP) represents more than 29.000 hospital pharmacists in 36 European countries and is the only association of national organisations representing hospital pharmacists at European and international levels

PAYMENT TERMS

Cheques will NOT be accepted.

Only payments made in Euro will be accepted. Bank charges are to be paid by the payee.

As confirmation of registration, an invoice will be issued after receipt of the Registration form.

CANCELLATION POLICY

Cancellation of individual or group registrations received before 1 January 2026 will be refunded (minus € 100 + Spanish VAT per registration, bank and administration charges).

For groups, a maximum of 15% of the registrations may be cancelled before 1 January 2026 (minus € 100 + Spanish VAT per registration, bank and administration charges).

No refunds can be made after this date, but substitution is always accepted.

All cancellations or changes must be done in writing to EAHP, at registration@eahp.eu

NOTE: PLEASE DO NOT SEND INDIVIDUAL REGISTRATIONS FORMS FOR GROUPS OF DELEGATES.

The European Association of Hospital Pharmacists (EAHP) is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education

The EAHP 2026 Congress is accredited by the European Council for Pharmacy Education Accreditation (ECPhA)

LETTER FROM EAHP PRESIDENT

Dear Colleagues,

I am excited to announce that the 30th anniversary edition of the EAHP Congress will take place in Barcelona, Spain, between 18-20 March 2026. Hospital pharmacists across Europe will gather again and seize the moment to explore a broad spectrum of topics – from the latest advancements in pharmaceutical science and technology, to the evolving role of pharmacists in the management of complex diseases via teamwork and collaboration across various roles and responsibilities to achieve the highest standards of patient care.

Over the three-day period, we will engage in discussions about the regulatory landscape, best practices in multidisciplinary medication therapy management, and the ways in which we can innovate and collaborate to overcome the ever-growing demands of our healthcare systems. Teamwork in patient management is essential for ensuring safe, effective, and comprehensive care that involves a collaborative effort among all healthcare professionals, including hospital pharmacists.

The diversity of expertise and experience that will gather from all EAHP member countries at our congress is a powerful reminder that, while our daily challenges may vary, our shared goal is the same: to ensure that patients receive the best possible treatment through the safe and effective use of medicines and medical devices. Through an enriching and stimulating few days of learning, sharing, and growing together, we will demonstrate how an effective communication and coordination between team members help to minimize medication errors, facilitates de-prescribing, optimizes therapeutic outcomes, and enhances patient safety. And, perhaps most importantly, let us remember that our work, though often behind the scenes, has the potential to transform lives in ways that are both profound and lasting.

We look forward to welcoming you in Barcelona, where members of EAHP's professional community will keep inspiring each other to think critically, to act collaboratively, and to continually strive for excellence in hospital pharmacy.

Dr. Nenad Miljković, EAHP President

FOREWORD BY THE CHAIRMAN OF THE SCIENTIFIC COMMITTEE

Dear Friends of European Hospital Pharmacy,

We are delighted to announce the 30th EAHP Congress, set to take place in the vibrant city of Barcelona in 2026. Under the theme "Diverse tasks – one team: ensuring excellence for all patients", the congress will emphasize the critical role of leadership and teamwork in delivering optimal treatment to all patients, particularly in the face of health inequalities. We also explore how exnovation can serve as a tool for fostering sustainable pharmacy practices. These topics will be the focus of our three keynote lectures.

The 30th EAHP Congress is designed to inspire you to coach and challenge your colleagues, co-creating a supportive and innovative professional environment. Together, we will explore how to implement diverse new pharmacy tasks in a viable way. Over 20 seminars and workshops will be offered to address the relevant topics for this year's Congress theme.

The pharmacotherapy seminar will spotlight the positioning of GLP1 agonists and SGLT2 inhibitors. Interactive workshops and sessions will explore topics like professional visibility, extramural distribution systems, microbial contamination control, multidisciplinary fluid management, holistic care for homelessness, and implementing interventional research.

Building on its success, the Synergy Satellite programme is again covering more relevant topics. A special interactive Young Professionals Session will also be held, featuring a panel discussion to share experiences and expertise.

Join us at the 30th EAHP Congress in Barcelona for an unforgettable experience of learning, collaboration, and inspiration!

Prof. Dr. Thomas De Rijdt, EAHP Scientific Committee Chairman

SCIENTIFIC PROGRAMME

**Theme | DIVERSE TASKS • ONE TEAM:
ENSURING EXCELLENCE FOR ALL PATIENTS**

KEYNOTE 1 – Leading and inspiring a diverse team

KEYNOTE 2 – Closing the divide: inclusive research in tackling health inequalities

KEYNOTE 3 – Exnovation: de-implement unsustainable practices/tasks

Section 1 | Introductory Statements and Governance

IG1 – New EU pharma regulations and implications for hospital pharmacists

IG2 – The multi-purpose pharmacist: ensuring optimal medication use with scarce pharmacy resources

INT1 – How to make hospital pharmacy and hospital pharmacists activities more visible

Section 2 | Selection, Procurement and Distribution

SPD1 – Medical device shortages in Europe: critical challenges and innovative initiatives

SPD2 – Early access programmes – ensuring safety and quality

INT2 – New challenges in hospital medication distribution systems

Section 3 | Production and compounding

W1 – Preparing medicines for home-based infection care

PC1 – Risk assessment: choose your battles wisely

INT3 – Contamination control strategy: from concept to implementation

Section 4 | Clinical Pharmacy Services

CPS1 – Cultural and individual aspects of adherence in medication therapy

CPS2 – Exploring clinical pharmacy services in hospitals: innovations and challenges

W2 – Optimizing fluid management: the role of multidisciplinary team

Section 5 | Patient Safety and Quality Assurance

PSQ1 – Appropriate prescribing in peri- and post- menopause care

PSQ2 – HIV PrEP – health inequalities and patient safety

W3 – Holistic care for people experiencing homelessness

Section 6 | Education and Research

ER1 – Addressing the gap between research and practice with implementation science

ER2 – Interprofessional education related to medication safety

ER3 – Educating patients to take part in shared decision making

Other sessions

Pharmacotherapy, Young Professionals, Synergy Satellites.
